Architect-on-Call Program Process

- Step #1 >>>> APPLY
 Submit completed Architect-on-Call Request for Services application to the program coordinator in the Baltimore County Department of Planning.
- Step #2 >>>> MEET WITH ARCHITECT
 AOC Program Coordinator reviews application and if it meets the program criteria, will set up a meeting with the property owner and architect, usually within fourteen (14) days of application review. Meeting on-site with property owner, architect, AOC Program Coordinator, and area planner to discuss improvements to the property. NOTE: If your property is located within a Baltimore County Design Review Panel area, any proposed changes to your property WILL need additional Department of Planning review. This will be discussed during the initial meeting on-site with the architect.
- Step #3 >>>> PROJECT DEVELOPMENT
 Architect develops preliminary renderings and preliminary Scope of Work outline. These documents are sent to the AOC Program Coordinator and then are, in turn, presented to the property owner for initial feedback.
- Step #4 >>>> PROJECT REVISIONS (if needed)
 Based on any feedback from property owner or AOC Program Coordinator, the Architect revises recommendations and produces the final AOC proposal containing:
 Before & after renderings
 Scope of Work
 Cost Estimate
- Step #5 >>>> PROJECT FINANCING
 Property owner may be eligible for a low or no-interest loan by applying to Baltimore County's Building Improvement Loan Program (BILP), which can be used for exterior improvements to properties within Commercial Revitalization Districts. For large projects, this loan could be combined with the Commercial Revitalization Tax Credit. The Tax Credit provides a five or ten-year real property tax credit if improvements increase the assessed property value by \$100,000 or more.
- Step #6 >>>> CONSTRUCTION
 Property owner makes improvements based on the Architect's recommendations within six (6) months of receiving final AOC proposal.
